

## Natura Bisse Pampers the Stars at Spanish Vogue's 20th Anniversary Party

Spanish Vogue's 20th Anniversary Party attracted the most glamorous and prominent figures in the fashion industry. And Natura Bisse was there to help the stars celebrate and prepare for the party of the year with luxurious beauty treatments in their exclusive Diamond Suite.

Among the guests to be pampered in Natura Bisse's Diamond Suite were Vogue's guest of honour Roberto Cavalli, Jade Jagger, Monica Cruz, international model Laura Ponte and Mexican singer Paulina Rubio.

Natura Bisse goodies were also swept up by all attendees, including supermodel Claudia Schiffer and Manolo Blahnik!

Treatments were personally selected by the celebrities from Natura Bisse's Diamond Collection, a special portfolio of beauty treatments for occasions such as the Oscars and A List parties. Treatments included the Natura Bisse Diamond Ritual, Diamond Frozen DNA Infusion Facial and Diamond Magnetic Peel.

The party was held at the Santo Mauro Hotel in Madrid where Natura Bisse's top therapists worked their magic to help the guests sparkle on the red carpet.
